Flowchart:

- USER START → TOWN
- USER START → MOUNTAIN
- TOWN → CAN GO BACK
- TOWN → MOUNTAIN
- MOUNTAIN → USER CAN GO BACK
- USER CAN GO BACK → RIVER
- CAVE → RIVER
- CAVE → COUNTRY SIDE
- CAN GO BACK → CAVE
- RIVER → NETHER
- NETHER → THE END
- COUNTRY SIDE → THE END

1. If mountain selected ask to go town or continue and do as said that

Same step for the first selection of all the options.

2. Ask if wanna change the route to some other place or still wanna continue.

3. if yes ask for where while showing options. Change if they want.

4. other wise continue to the final destination

5. And you're there now and ask if wanna go back or no.
